Lubricants Shell

Strategic alliance between Shell & Blumaq

Blumaq supplies the complete Shell's range of lubricants.

Selecting the right lubricant will help you to maximize your equipment efficiency, providing you with considerable cost savings. An added value that contributes to the equipment protection and to obtain the maximum performance.

Shell, a world leader in the sector, has designed a wide range of fluids which provides the most efficient product for each application, depending on the specific needs of each equipment.

This agreement supposes a new boost to the Blumaq policy to always offer the best products and an added value to our customers all over the world.
