ABL Lights

Blumaq joins with ABL trademark to launch a new range of lights.

ABL Lights Group is one of the world's leading manufacturers of lights who supplies to many of the world's premier original equipment manufacturers, as Volvo or Caterpillar. We offer a wide range of lights for all your lighting needs, in LED or halogen.

ADVANTAGES OF LED TECHNOLOGY

- Brightness in day light colour (6000 °K).
- Extremely long life time.
- Low power consumption.
- High vibration resistance.
- Multi voltage.
- Maintenance-free.
- Completely sealed products.

DIFFERENT CONNECTIONS

70 % less
consumption
than
equivalent
halogen
light.

ABL®, VOLVO® and CATERPILLAR® are trade brands registered by their owners and are only used for reference purposes of the application of our spare parts.
