# Remanufactured fuel injectors.

## Specifications:

Blumaq remanufactured injectors are fully disassembled, cleaned and inspected using the same procedures as the OEM engineering capabilities. Most of the inner components are new, including the solenoid.

High quality injectors for all CAT® engines.

| The Blumaq Competitive Advantage  |             |          |            |                 |                      |                          |        |        |

■ Replaced new   
 ■ Replaced new or remanufactured (depending on part number and/or as needed)   
 ■ Remanufactured or reused

## Bosch original injectors:

If you prefer new injectors, we can supply a wide range of new units thanks to the agreement with the Bosch brand that makes us an official distributor.

## FEATURES

- Surface lapping of each critical component
- New actuator assembly-spill valve, solenoid, NOP spring, washer, shim, screws & stop in each injector.
- 100% O-ring replacement.

## BENEFITS

- Ensures pressure sealing of sub-assemblies.
- Guarantees OE quality, performance and durability.
- Proper sealing.

## The Blumaq advantage

- All injectors are checked on the test bench, ensuring that the pressure and rate of the fuel injection are correct.
- Each injector is supplied with a unique trim code to guarantee the correct installation.
- The Blumaq remanufactured injectors exchange programme is a quick and convenient way to reduce costs and minimize downtime.

## Applications

Blumaq offers over 600 different type of remanufactured injector part references in below groups:

- Caterpillar 3100 series mechanical unit injectors
- Caterpillar 3500 series mechanical unit injectors
- Caterpillar 3126b series HEU injectors
- Caterpillar 3400 series HEUI injectors
- Caterpillar C4 series common rail injectors
- Caterpillar C6 series common rail injectors
- Caterpillar C7 series HEUI injectors
- Caterpillar C8 series HEUI injectors
- Caterpillar C9.3 common rail injectors
- Caterpillar C10/C12 EU injectors
- Caterpillar C11/C13 EU injectors
- Caterpillar C406E/C15/C16/C18/C27/C32 EU injectors
- Caterpillar C3500 series electronic unit injectors
- Caterpillar C175 series common rail injectors

CATERPILLAR® is a trade brand registered by its owner and is only used for reference purpose of the application of our spare parts.
