CATERPILLAR®, KOMATSU®, CUMMINS®, VOLVO® and CASE® are trade marks registered by their owners and they are only used as an application reference for our spare parts.

Parking brake components

Blumaq supplies spare parts and maintenance products for construction, earth moving and mining equipment. We work with specialized manufacturers suppliers of the main original equipment brands in Europe and America to offer a wide range of item numbers for lining, drum, caliper o multiple discs parking brake systems.

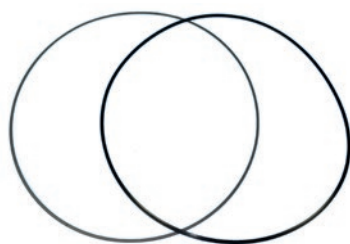

Blumaq Spare parts for parking brakes use special alloys and last generation fibers which provide an excellent resistance to friction wear and high temperatures. Blumaq, with more than 90,000 references in stock and the most detailed manufacturing specifications report for all our products.
