

BLUMAQ S.A. - QUALITY POLICY

BLUMAQ, as a worldwide leader company in the development and commercialization of spare parts for public works machinery, has established as a main goal the improvement of its customers' expectations meeting, thus enhancing their satisfaction in every respect.

To do this, BLUMAQ S.A. has a Quality Management System developed under the ISO-9001 guidelines and is committed to carry out their activities according to:

- Meet customer requirements and legal requirements.
- Pay attention and meet the demands and expectations of all parties involved
- Continuously improvement of the service provided.
- Establish the necessary mechanisms and resources to achieve the targets set by Management and comply with the previous two sections

In line with the above guidelines, it will be set and reviewed on a regular basis in the different areas of BLUMAQ S.A.

In addition, BLUMAQ S.A. is aware that:

QUALITY AFFECTS AND IS EVERYONE'S RESPONSIBILITY

This quality policy should be known and implemented by all members of Blumaq S.A.

Vall de Uxó, 15 June 2017

THE GENERAL DIRECTOR OF BLUMAQ S.A.
